Critical Thinking Module: Objectives

- ❑ **Develop** your critical thinking, research, analytical and professional communication soft skills
- ❑ **Enhance** your capacity work autonomously
- ❑ **Gain** valuable experience working in a team
- ❑ **Improve** all elements of language skills (listening, reading, speaking and writing)
- ❑ **Create & present** a group poster presentation around a workplace subject of your choice

Critical Thinking Module: Learning Outcomes

By the end of this 6-week module, you will have:

- ✓ **Completed a poster presentation**, showing your research in one area of Interculture, Communication or Management, linked to the workplace
- ✓ **Presented** poster as part of a team
- ✓ **Participated** in interactive workshops
- ✓ **Autonomously carried out research, conducted surveys or interviews and analysed the information** in order to reach conclusions about your chosen topic.

Instructions : Groups

- ❑ Groups are to be made up of **5 students**
- ❑ **Group lists** are to be found on the FRAMACALC (also available on MOODLE):

<https://lite.framacalc.org/sezcl0fge6-a6f0>

- ❑ Once the team is established, create a **means of communications** : Discord, Whatsapp, Google drive...
- ❑ Nominate a **group leader**

Instructions: Subjects

Each group must choose a subject from one of the following themes:

INTERCULTURE

COMMUNICATION

MANAGEMENT...

Please ensure compliance with the specified constraints:

- 1) Whatever your choice of subject, it must have a focus on professional life/work and this information must be confirmed with your CAM teacher by Week 2 at the latest;
- 2) Any subject that does not respect this will be refused.

Instructions:

Upgrade your Information Literacy

As part of your research you must read at least **2 peer reviewed articles** related to your subject

In addition, you will undertake **a survey**, questionnaire and/or interviews in order to provide some original data/views related to your chosen topic.

Finally, as part of your research you must relate a **theoretical model** to your chosen topic (for example an interculture model, a management model, a communication model or a SWOT or PESTEL analysis)
